Ionstorm

One thumb, five auto-firing weapons, hundreds of enemies.

ARCADE GAME | APP STORE ID 6779769785

THE CORE ACTION

Move with one thumb while five auto-firing weapons carve through an escalating horde.

Why people return

Draft a new build every run, claim boss Relics, collect idle Reactor Cores, then forge a stronger next attempt.

Product promise

The full game removes the run limit and opens every upgrade choice, the complete Reactor and Forge, presets, themes, and unlimited Daily Storms.

Best-fit audience

Vampire-survivor and action-roguelite fans who want one-thumb play and deep build crafting.
