Starward

Fling, merge, chain - then detonate a supernova.

ARCADE GAME | APP STORE ID 6779761122

THE CORE ACTION

Orbit the launcher, fire into the gravity well, and merge nine orb tiers from dust to quasar.

Why people return

Fast chain windows, supernova detonations, varied arenas, ranked dailies, and prestige make every cleaner well matter.

Product promise

The full game removes casual run caps and adds premium orb palettes, unlimited play, and cumulative prestige progression.

Best-fit audience

Merge and physics-arcade players who want short runs, cascading chains, and spectacular payoffs.
