Ward

A defense without guns: bend every attacker into the sun.

ARCADE GAME | APP STORE ID 6779832733

THE CORE ACTION

Place gravity wells, read every projected path, and bend incoming enemies into the sun without firing a weapon.

Why people return

Roguelite perk drafts, enemy evolutions, repositioning, bosses, ranked dailies, and endless waves deepen the defense.

Product promise

The full game removes the wave cap and adds the endless climb, premium Warden skins, and alternate board worlds.

Best-fit audience

Tower-defense and physics-strategy players looking for a distinctive no-guns control system.
